## ARTICLE New Mandatory Personal Furlough Leave Program

A) Effective with the February 2009 pay period and ending June 30, 2010, full time bargaining unit employees shall be subject to a Mandatory Personal Furlough Leave Program (MPFLP) eight (8) hours per month in the manner outlined below:

1. Effective with the February 2009 pay period, each full time employee's monthly pay shall be reduced by 4.62%. However, salary rates and salary ranges shall remain unchanged. Each full-time employee shall continue to work his/her assigned work schedule.
2. Each full time employee shall be credited with eight (8) hours of MPFLP time on the first day of the following monthly pay period each month for seventeen (17) months. The MPFLP leave credits shall be credited to the employee's MPFLP leave balance.
3. Employees will be given maximum discretion to use the MPFLP time subject to operational considerations. Use of deferred MPFLP time off is subject to supervisory approval, except that appointing powers shall ensure that all MPFLP time off is scheduled and taken prior to July 1, 2012. MPFLP time shall be requested and used by the employee in the same manner as vacation/annual leave. Request for use of MPFLP time must be submitted in accordance with departmental policies on vacation/annual leave. Appointing powers may order employees to take MPFLP time off to meet the intent of this section. MPFLP time shall not be included in the calculation of vacation/annual leave balances pursuant to Article 8 (Leaves).
4. Time during which an employee is excused from work because of MPFLP time usage shall not be considered as "time worked" for purposes of determining the number of hours worked in a work week. \*
5. MPFLP time may not be cashed out at any time, nor may it be "carried over" beyond July 1, 2012. However, MPFLP may be used in lieu of sick leave.
6. This MPFLP shall not adversely affect an employee's service anniversary date, create a break in service, or impact the accrual of vacation or any other leave credits, the payment of health, dental, or vision, benefits, or the flex-elect cash option.

C) Compensation for purposes of retirement and death and disability benefits shall not be affected by the MPFLP and shall be based on the unchanged salary rate that would have been credited had the employee not been in the MPFLP.

D) Service calculation for purposes of retirement allowances for employees participating in the MPFLP shall be based on the amount of service that would have been credited had the employee not been in the MPFLP.

## Management Proposal

Bargaining Unit: SEIU Common Table

DATE: 6/17/08

Exclusive Representative: SEIU

Subject: Article 3, Section 3.2

The State proposes to roll over the following Section for Unit 1, 3, 4, 11, 14, 15, and 20. It would replace the existing Section 3.2.17.17 for Unit 17 and 3.2.21 for Unit 21.

### 3.2 Release of Home Addresses: Non Law Enforcement Employees (~~Excludes Unit 17 and Unit 21~~)

#### A. Home Addresses – Generally

1. Consistent with PERB regulations and State law, the State shall continue to provide the Union with home addresses on a monthly basis for all employees covered by this Contract until it expires.
2. Notwithstanding any other provision of this Contract, any employee may have his/her home address withheld from the Union at any time by submitting a written request to his/her appointing power on a form provided by the State.

#### B. Home Address Withholding

The State will no longer use an Employee Action Request form that provides employees with the option of having their home address withheld from the Union. Instead, bargaining unit employees will, upon request on their own initiative, be given a separate form by their appointing power that permits two choices: (1) withhold their address from the Union, or (2) to cancel a previous withhold request thereby permitting release of their home address to the Union.

#### C. Home Address Withhold Notification to Employees

Within one month following ratification of this Contract by both parties, the State will send a letter drafted by the Union to all existing employees that have previously requested their home address be withheld. The letter will provide said employees with the option of canceling their previous withhold request thereby permitting release of their home address to the Union.

#### D. Release and Use of Addresses

The State Controller's Office (SCO) shall send the Union a list of all bargaining unit employees who, pursuant to subsection C above, either did not respond or responded by indicating they wanted to continue withholding their home address from the Union. Said list(s) will contain the employee's name, agency, and reporting unit.

#### E. Home Address Mailings by the State

The State will mail Union information once per year to the home address of bargaining unit employees who have requested their home address be withheld from the Union. Said material shall be provided by the Union. The cost of this mailing shall be paid for by the Union. The Union agrees to hold the State harmless for any annual mail that does not reach bargaining unit employees.

F. Address Confidentiality

Employee work and home addresses shall be maintained as confidential by the Union. The Union shall take all reasonable steps to ensure the security of work and home addresses, and shall not disclose or otherwise make them available to any person, entity, or organization.

G. Costs Reimbursable

The Union agrees to pay necessary and reasonable costs incurred by the SCO to produce the necessary name/home/work address tape file on a monthly basis.

H. Hold Harmless and Indemnification

Notwithstanding any other provision of this Contract, the Union agrees to jointly defend this section and to hold the State of California, its subdivisions, and agents harmless in defending challenges of any nature arising as a result of this section of the Contract.

I. Nature of Material

The Union agrees that any literature mailed to employees by the State will not be libelous, obscene, defamatory, or of a partisan political nature or constitute a solicitation of any product or service unrelated to representation by the Union, including that provided by and mailed on behalf of the Union. Advertisements or articles in Union provided material involving partisan politics shall not be considered of a partisan political nature or constitute a solicitation of any product or service for the purposes of this Contract.

D. The arbitrator shall be paid a flat fee for each day of the hearing, without regard to the number of cases presented during that day's hearing. Each party shall pay one-half of the arbitrator's charges.

## ARTICLE 8 – LEAVES

### 8.1 Vacation/Annual Leave

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this section shall receive a one-time vacation bonus of forty-two (42) hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following month as follows:

7 months to 3 years	7 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
241 months and over	14 hours per month

- B. Employees may elect to enroll in the Annual Leave program to receive annual leave credit in lieu of vacation and sick leave credits. Enrollment into and out of the Annual Leave Program will occur annually during an open enrollment period during the month of April. All enrollments must be received by the employee's personnel office from April 1 to April 30. The effective date of the election shall be the first day of the June pay period.

- C. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
241 months and over	18 hours per month

- D. Employees who elect to move to the vacation and sick leave programs will have their accrued annual leave balances converted to vacation. Employees shall have the continued use of any sick leave accrued as of the effective date of this agreement.
- E. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn Vacation/Annual Leave credits as set forth above under subsection A above or C respectively. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two (2) consecutive qualifying pay periods shall disqualify the second pay period.
- F. Part-time and hourly employees shall accrue proportional Vacation/Annual Leave credits, in accordance with the chart shown in section 7 L of this Contract.

CT 8.1  
2 of 3

- G. Vacation/Annual Leave accrual for employees in multiple positions will be computed by combining all positions, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.
- H. Annual Leave that is used for purposes of sick leave is subject to the requirements set forth in section 8.2, Sick Leave, of this Contract.
- I. Workweek Group 2 employees may take Vacation/Annual Leave credits in fifteen (15) minute increments.
- J. Work Week Group 2 employees are authorized to use existing fractional Vacation/Annual Leave hours that may have been accumulated.
- K. Subject to operational needs, the time when Vacation/Annual Leave shall be taken by the employee shall not be unreasonably denied. Employee Vacation/Annual Leave requests shall be submitted and granted or denied in writing in a timely manner. Vacation/Annual Leave can only be cancelled when unanticipated operational needs require it.
- L. Vacation/Annual Leave requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same Vacation/Annual Leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred Vacation/Annual Leave period in order of seniority (defined as total months of State service in the same manner as Vacation/Annual Leave is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation/Annual Leave schedules, which have been established in a work unit, pursuant to the seniority provisions in this Article, shall not be affected by employee(s) entering the unit after the schedule has been established.
- M. If an employee does not use all of the Vacation/Annual Leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued Vacation/Annual Leave credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours of accrued Vacation/Annual Leave hours if an employee was unable to reduce his/her accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking Vacation/Annual Leave until December 31 because of sick leave; or (5) was on jury duty.
- N. By June 1 of each calendar year those employees whose Vacation/Annual Leave balance exceeds, or could exceed by December 31, the Vacation/Annual Leave cap of subsection M must submit to their supervisor for approval a plan to use Vacation/Annual Leave to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient Vacation/Annual Leave to reduce the employee's Vacation/Annual Leave balance or potential balance on December 31 below the cap specified in subsection M.

- O. Upon termination from State employment, the employee shall be paid for accrued Vacation/Annual Leave credits for all accrued Vacation/Annual Leave time.
- P. An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation credit on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.

**Bargaining Units: All**  
**Date: \_\_\_\_\_**

**Article and Section No: 8.2**

*TA 2/13/9 9:51 PM*

*The Union proposes the following changes be made to the following section:*

**8.2 Sick Leave**

A. As used in this section, "sick leave" means the necessary absence from duty of an employee because of:

1. Illness or injury, including illness or injury relating to pregnancy;
2. Exposure to a contagious disease which is determined by a physician to require absence from work;
3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner;
4. Absence from duty for attendance upon the employee's ill or injured mother, father, husband, wife, domestic partner (as defined in accordance with Family Code section 297), son, daughter, brother, sister, or any person residing in the immediate household. Such absence shall be limited to six (6) workdays per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.

B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall be eligible for up to eight (8) hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn eight (8) hours of credit for sick leave with pay.

C. Credit for less than full-time employees shall be computed as follows:

1. Part-time employees: On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in article 7.1(L).

2. Multiple positions under this rule:

a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position;

b. Where an employee holds two (2) or more "less than full-time positions," the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for [eight (8) hours per pay period] full-time employment credit.

D. An employee may be required to provide a physician's or licensed practitioner's verification of sick leave when:

1. The employee has a demonstrable pattern of sick leave abuse; or
2. The supervisor has good reason to believe the absence was for an unauthorized reason. A supervisor has good reason if a prudent person would also believe the absence was for an unauthorized reason.

E. An employee will not be denied the right to use sick leave or be subject to any type of corrective or disciplinary action, or in any manner discriminated against for using or attempting to exercise his/her right to use sick leave based solely on the amount of use.

F. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's or licensed practitioner's verification. The State recognizes the confidential nature of the relationship between the health care provider and patient. However, such substantiation shall include, but not be limited to, the general nature of the employee's illness or injury and prognosis (i.e., the anticipated length of the absence, any restrictions upon return to work that prevent the employee from performing the full range of his/her normal work assignment and anticipated future absences). If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.

G. Sick leave may be accumulated without limit.

H. Sick leave may be requested and taken in fifteen (15) minute increments.

**Packaged Proposal #4**

*The Union proposes the following changes be made to the following section:*

**8.16 Family Medical Leave Act (FMLA)**

A. The State acknowledges its commitment to comply with the spirit and intent of the leave entitlement provided by the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA." The State and the Union recognize that on occasion it will be necessary for employees of the State to take job protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, spouse, domestic partner (as defined in Family Code section 297), or parent who has a serious health condition, and/or for the birth or adoption of a child.

B. For the purposes of providing the FMLA benefits the following definitions shall apply:

1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA;
2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this section applies to the individual with the covered health condition;
3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;

4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits, unless otherwise specified by section 8.8 of this Contract.

a. FMLA absences due to illness and/or injury of the employee or eligible family member may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a FMLA leave will be administered in accordance with section 8.8 and 8.2 of this Contract.

b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by section 8.8 of this Contract.

c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with section 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.

employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.

D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks (480 hours) FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in article 8 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.

5. On January 1 of each year, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year. Employees who have taken FMLA leave under the previous twelve (12) month rolling period, shall be entitled to additional leave up to a total of twelve (12) weeks for the current calendar year.

F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits, and other terms and conditions of employment.

G. For the purposes of computing seniority, employees on paid FMLA leave will accrue seniority credit in accordance with the DPA rules 599.608 and 599.609.

H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law and

administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by the DFEH. FMLA/CFRA does not supersede any article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.

1. The Union will be noticed when a denial is issued for the lack of one thousand two hundred and fifty (1,250) hours of service. A copy of the written denial shall be sent attn: SEIU Local 1000 Headquarters within thirty (30) days. Should the request for FMLA be denied, the reason for denial will be provided in writing within thirty (30) days to the employee.

*The Union proposes the following changes be made to the following section:*

**8.17 Mentoring Leave**

A. Eligible employees may receive up to forty (40) hours of "mentoring leave" per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. "Mentoring leave" is paid leave time which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. "Mentoring leave" may not be used for travel to and from the mentoring location.

B. An employee must use an equal number of hours of his or her personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the workday and/or personal time during non-working hours) prior to requesting "mentoring leave." For example, if an employee requests two (2) hours of "mentoring leave," he or she must have used two (2) verified hours of his or her personal time prior to receiving approval for the "mentoring leave." "Mentoring leave" does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.

C. Prior to requesting mentoring leave and in accordance with departmental policy, an employee shall provide his or her supervisor

with verification of personal time spent mentoring from the mentoring organization.

D. Requests for approval of vacation, CTO, and/or annual leave for mentoring activities are subject to approval requirements in this Contract and in existing departmental policies. Requests for approval of mentoring leave are subject to operational needs of the State, budgetary limits, and any limitations imposed by law.

E. In order to be eligible for "mentoring leave," an employee must:

1. Have a permanent appointment;
2. Have successfully completed their initial probationary period; and
3. Have committed to mentor a child or youth through a mentoring organization that meets the quality assurance standards in accordance with the Governor's Mentoring Partnership California Mentor Program Directory, under the guidance of the ~~Governor's Office~~, for a minimum of one school year. (Most programs are aligned with the child's normal school year; however, there may be some that are less or more. Department management may make exceptions to the one school year commitment based on the mentor program that is selected.)

F. An employee is not eligible to receive "mentoring leave" if:

1. He or she is assigned to a "post" position in the CDCR; or
2. He or she works in a level of care position in the DDS, DMH, DOE or Veterans' Affairs (CDVA).

G. Permanent part-time and Permanent Intermittent (PI) employees may receive a pro-rated amount of mentoring leave based upon their time base. For example, a half time employee is eligible for twenty (20) hours of mentoring leave per calendar year, whereas an intermittent employee must work a qualifying monthly pay period (equivalent to one hundred sixty [160] hours) to earn 3.3 hours of mentoring leave.

H. Any appeals and/or disputes regarding this section shall be handled in accordance with the complaint procedure specified in article 6 of this Contract.

~~Effective July 1, 2001, t~~The State shall continue a Rural Health Care Equity Program for bargaining unit members, which may be administered in conjunction with a similar program for State employees in other bargaining units, for excluded employees, and for annuitants. The DPA shall administer any fund involving bargaining unit members.

1. The program shall operate in the following fashion:

a. The State shall contribute one thousand five hundred dollars (\$1500) per year on behalf of each bargaining unit member (employee) who lives in a defined rural area, as more definitely described in Government Code section 22877.

(1) For bargaining unit members payments shall be on a monthly basis.

(2) For permanent employees, as in the "Medical Reimbursement Account" situation, the employee does not have to wait for reimbursement of covered medical expenses until the full amount has been deposited.

Julien Chopin

b. As to any employee who enters State service or leaves State service during a fiscal year, contributions for such employee shall be made on a pro rata basis. A similar computation shall be used for anyone entering or leaving the bargaining unit (e.g., promotion in mid-fiscal year).

c. The money shall be available for use as defined in Government Code section 22877.

d. A Rural Healthcare Equity Program will be established with a separate account for bargaining unit members, as one of several similar accounts.

e. Each unit employee shall be able to utilize up to one thousand five hundred dollars (\$1500) per fiscal year, pursuant to Government Code section 22877, but with the exceptions for greater utilization hereafter noted. The pro rata limitation pursuant to paragraph 1(b) is applicable here.

f. If an employee does not utilize the complete one thousand five hundred dollars (\$1500) pursuant to the procedures and limitations described in Government Code section 22877, then the unused monies shall be put in a "same year pool." That same year pool shall be utilized to pay those who have incurred eligible health care expenses in excess of the one thousand five hundred dollars (\$1500), but again according to the procedures and limitations in the statute. (1) Any employee not in a bargaining unit all year shall receive credit under this paragraph utilizing the same pro rata formula as in paragraph 1(b) above.

(2) If an employee is entitled to less than twenty-five dollars (\$25) under this paragraph, the money shall instead go into next year's fund pursuant to paragraph (g) hereafter.

g. If monies still remain after a distribution to such employees (i.e., all employees who spent more than one thousand five hundred dollars (\$1500) as provided in Government Code section 22877 were completely reimbursed), then those surplus monies shall be rolled over into the next fiscal year's funds available for distribution to employees whose expenses pursuant to the statute exceed one thousand five hundred dollars (\$1500) in such subsequent year. Subject: Article 9, Section 9.5

The State proposes to roll over the following Section for Unit 1, 3, 4, 11, 14, 15, and 20. It would replace the existing Section 9.5.17 for Unit 17 and 9.5.21 for Unit 21.

### 9.5 Employee Assistance Program (EAP) (~~Excludes Unit 17 and Unit 21~~)

An employee using the EAP, upon approval, may use accrued sick leave credits, CTO, vacation, and holiday credits for such a purpose. Leaves of absence without pay may be granted by the department head or designee upon the recommendation of the EAP Coordinator if all sick leave, holiday credits, vacation, and compensating time off have been exhausted, and the employee is not eligible to use Industrial Disability Leave or State Disability Insurance. Changes to such lists and phone numbers shall be promptly furnished to the Union when such changes occur.
- C. The records concerning an employee's referral and/or treatment shall be kept confidential. No manager, supervisor, department director, or coordinator shall disclose the nature of the employee's treatment or the reason for employee's leave of absence. Records of such referrals shall not be kept in the employee's personnel file.
- D. Upon request by the Union, a department which has an internal Employee Assistance Program for its employees will meet to discuss concerns presented by the Union regarding the administration of the program.
- E. Employees laid off shall be provided services in accordance with the Employee Assistance Program. Such services are term limited for six (6) months from the actual date of layoff.

Bargaining Unit:

Date: \_\_\_\_\_

Subject: Article 9

The State proposes to roll over the following Section:

9.15 Industrial Disability Leave (IDL)

- A. Employees who suffer an industrial injury or illness and would otherwise be eligible for Temporary Disability (TD) benefits under the Labor Code will be entitled to IDL as described in Article 4 of the Government Code, beginning with section 19869. IDL will be paid in lieu of TD benefits.
- B. Eligible employees shall receive IDL payments equivalent to full net pay for the first twenty-two (22) workdays after the date of the reported injury.
- C. In the event that the disability exceeds twenty-two (22) workdays, the employee will receive 66 and 2/3 percent of gross pay from the twenty-third (23<sup>rd</sup>) workday of disability until the end of the fifty-second (52<sup>nd</sup>) week of disability. No IDL payments shall be allowed after two (2) years from the first day (i.e., date) of disability.
- D. The employee may elect to supplement payment from the twenty-third (23<sup>rd</sup>) workday with accrued leave credits including annual leave, vacation, sick leave, or compensating time off (CTO) in the amount necessary to approximate the employee's full net pay. Partial supplementation will be allowed, but fractions of less than one hour will not be permitted. Once the level of supplementation is selected, it may be decreased to accommodate a declining leave balance but it may not be increased. Reductions to supplementation amounts will be made on a prospective basis only.
- E. Temporary Disability with supplementation, as provided for in Government Code section 19863, will no longer be available to any State employee who is a member of either the PERS or STRS during the first fifty-two (52) weeks, after the first date of disability, within a two (2)-year period.
- F. If the employee remains disabled after the IDL benefit is exhausted, then the employee will be eligible to receive TD benefits as provided for in the Labor Code and supplementation, as provided in Government Code section 19863.
- G. For an employee injured prior to January 1, 2004, IDL may continue beyond the physician's statement that the employee's condition is "permanent and stationary" providing the employee has not exhausted his/her eligibility for IDL benefits, the employee has been declared a "qualified injured worker", and the employee would otherwise be entitled to Vocational Rehabilitation Maintenance Allowance (VRMA). IDL would be paid in lieu of VRMA.
- H. All appeals of an employee's denial of IDL benefits shall only follow the procedures in the Government Code and Title 2. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.

4. The salary increase shall be equal to the total percentage change in the Consumer Price Index (CPI) for the twelve-month period from April 2006 through March 2007. The specific amount of the cost-of-living adjustment shall be determined by the increase in the cost of living for the year using the Consumer Price Index, U.S. Department of Labor, Index CPI-W-West Urban--All Urban Consumers (Not Seasonally Adjusted), Series CUUR0400SAQ, United States.

If the cost of living for the year is greater than 4.0%, for the specified period, the Cost of Living Adjustment for the year shall be established at 4%. If the cost of living for the year increases by an amount between 2.0% and 4.0%, employees shall receive the specific cost of living increase rounded to the nearest tenth.

The following illustrates the specific method of computation to be used in calculating the salary increase, using fictional data for illustration purposes only.

*The Union proposes the following changes be made to the following section:*

**11.3 Salary Definitions**

Units ~~1, 3, 4, 11, 14, 15~~ and 20 hereby agree to support putting the following changes to Article 5 of the DPA regulations into effect provided all bargaining units agree to the same. As used in this article, terms are defined as follows:

A. "Salary range" is the range of rates between, and including, the minimum and maximum rate currently authorized for the class; Top Step Rounding: Classes shall be adjusted to reflect five percent (5%) increments between the minimum and the maximum salary rates. Each five percent (5%) shall be calculated by multiplying by 1.05 and rounded to the nearest dollar. To calculate five percent (5%) for daily and hourly rates multiply by 1.05 and round to the nearest dollar and cents amount, subject to the availability of funds.

B. "Step" for employees compensated on a monthly basis is a five percent (5%) differential above or below a salary rate rounded to the nearest dollar and for employees compensated on a daily or hourly basis is a five percent (5%) differential above or below a rate rounded to the nearest dollar and cents amount. One-step higher is calculated by multiplying the rate by 1.05 (e.g., \$2,300 x 1.05 = \$2,415). One-step lower is calculated by dividing the rate by 1.05 (e.g., \$2,415 ÷ 1.05 = \$2,300).

C. "Rate" for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and for employees compensated on a daily or hourly basis is any one of the dollar and cents amounts found within the salary range.

D. "Range differential" is the difference between the maximum rate of two (2) salary ranges.

E. "Substantially the same salary range" is a salary range with the maximum salary rate less than two (2) steps higher than or the same as the maximum salary rate of another salary range.

F. "Higher salary range" is a salary range with the maximum salary rate at least two (2) steps higher than the maximum salary rate of another salary range.

G. "Lower salary range" is a salary range with the maximum salary rate any amount less than the maximum salary rate of another salary range. Unless otherwise provided, the lowest salary range currently authorized for the class is used to make salary comparisons between classes except for deep classes. Any rate falling within the salary range for a class may be used to accomplish appropriate step differentials in movement between classes and salary ranges.

*The Union proposes no changes be made to the following section:*

**11.9 Bilingual Differential Pay**

Bilingual Differential Pay applies to those positions designated by the DPA as eligible to receive bilingual pay according to the following standards:

**A. Definition of Bilingual Position for Bilingual Differential Pay:**

1. A bilingual position for salary differential purposes requires the use of a bilingual skill on a continuing basis averaging ten percent (10%) of the time. Anyone using their bilingual skills ten percent (10%) or more of the time will be eligible whether they are using them in a conversational, interpretation, or translation setting. An employee may provide their supervisor with data supporting the use of their bilingual skills ten percent (10%) or more of the time. Management will evaluate this data in assigning bilingual designation to the position. In order to receive bilingual differential pay, the position/employee must be certified by the using department and approved by the DPA. (Time should be an average of the time spent on bilingual activities during a given fiscal year);
2. The position must be in a work setting that requires the use of bilingual skills to meet the needs of the public in either:

- a. A direct public contact position;

- b. A hospital or institutional setting dealing with patient, client, student, or inmate needs;
  - c. A position utilized to perform interpretation, translation, or specialized bilingual activities for the department and its clients.
3. Position(s) must be in a setting where there is a demonstrated client or correspondence flow where bilingual skills are clearly needed.
  4. Where organizationally feasible, departments should ensure that positions clearly meet the standards by centralizing the bilingual responsibility in as few positions as possible.
  5. Actual time spent conversing or interpreting in a second language and closely related activities performed directly in conjunction with the specific bilingual transaction will count toward the ten percent (10%) standard.

B. Rate:

1. An employee meeting the bilingual differential pay criteria during the entire pay period would receive a maximum of one hundred dollars (\$100) per pay period including holidays.
2. A monthly employee meeting the bilingual differential pay criteria less than the entire pay period would receive the differential on a pro rata basis.
3. A fractional-month employee meeting the bilingual differential pay criteria would receive the differential on a pro rata basis.
4. An employee paid by the hour meeting the bilingual differential pay criteria would receive a differential of fifty-eight cents (\$.58) per hour.

C. Employees, regardless of the time base or tenure, who use their bilingual skills more than ten percent (10%) of the time on a continuing basis and are approved by the DPA will receive the bilingual differential pay on a regular basis.

D. Bilingual differential payments will become earnings and subject to contributions to the CalPERS, OASDI (Social Security), levies, garnishments, Federal and State taxes.

E. Employees working in positions which qualify for regular bilingual differential pay as authorized by the DPA may receive the appropriate pay during periods of paid time off and absences (e.g., sick leave, vacation, holidays, etc.).

F. Employees will be eligible to receive the bilingual differential payments on the date the DPA approves the departmental pay request. The effective date may be retroactive to the date of appointment to a position requiring bilingual skills when the appointment documentation has been delayed. The effective date may be retroactive up to sixty (60) days when the incumbent's duties are changed to include the use of bilingual skills.

G. Bilingual salary payments will be included in the calculation of lump-sum vacation, sick leave, and extra hour payments to employees terminating their State service appointment while on bilingual status.

H. WWG 2 employees will receive bilingual salary compensation for overtime hours worked.

I. Employees receiving regular bilingual differential pay will have their transfer rights determined from the maximum step of the salary range for their class. Incumbents receiving bilingual pay will have the same transfer opportunities that other class incumbents are provided.

J. The bilingual differential pay should be included in the rate used to calculate temporary disability, Industrial Disability, and State Disability leave benefits.

K. Employees who do not receive a bilingual differential shall not be required to use bilingual skills.

Series – California Department of Corrections and Rehabilitation (Unit  
4)**

A. Upon approval by the Department of Personnel Administration (DPA),  
the California Department of Corrections and Rehabilitation (CDCR)  
may provide recruitment and retention differentials to Unit 4  
employees as follows:

1. Either up to two hundred dollars (\$200) per month (monthly), or
2. Up to two thousand four hundred dollars (\$2,400) per year (annual  
payment).

These differentials may be authorized for specific Unit 4  
classifications in specific geographic locations or facilities based on  
the needs of the State.

B. When the annual payment is authorized, employees must complete  
twelve (12) consecutive qualifying pay periods in order to receive the  
annual payment. No payment, nor pro rata share of the payment,  
shall be given if the employee separates or is discharged from State  
service, is rejected on probation, or voluntarily transfers to another

location where the differential is not authorized. Time spent on SDI does not count as a qualifying pay period.

If an employee who is receiving a monthly differential transfers to a location where the differential is not authorized, the differential shall be discontinued.

C. Part-time and intermittent employees shall receive a pro rata share of the annual recruitment and retention differential based on the total number of hours worked during the twelve (12) consecutive qualifying pay periods. Part-time and intermittent employees shall receive a pro rata share of the monthly differential based on a total number of hours worked within the monthly pay period.

D. Annual recruitment and retention payments shall not be considered as compensation for purposes of retirement contributions.

E. It is understood by SEIU Local 1000 that the decision to implement or not implement annual recruitment and retention payments or monthly differentials or to withdraw authorization for such payments or differentials, and the amount of such payments or differentials, rests solely with the State and that such decision is not grievable or arbitrable.

### 3. Non-State Sponsored Conferences or Conventions

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires prior advance written approval from the DPA. The DPA may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal, or incidental expenses within fifty (50) miles of his/her home or headquarters.

C. Long-term Travel: Actual expenses for long term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

Employees, with supervisor's approval, after completing the work shift remain at the job or long term assignment (LTA) location past the Friday twelve (12)-hour clock will receive full per diem for Friday. Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change DPA policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies. The following clarifies DPA policy regarding an employee leaving the LTA location on personal business:

The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

Information in an employee's official departmental personnel file and supervisory work file shall be confidential and available for inspection only to the employee's department head or designee in conjunction with the proper administration of the department's affairs and the supervision of the employee; except, however, that information in an employee's official departmental personnel file and supervisory work file may be released pursuant to court order or subpoena. An affected employee will be notified of the existence of such a court order or subpoena. No rank and file shift lead shall be authorized access to an employee's files, except with prior written approval of the employee

Where the official personnel file is in a location remote from the employee's work location, arrangements shall be made to accommodate the employee or his/her authorized representative at the employee's work location. Upon request, the employee shall be allowed a copy of the material in his/her personnel file.
- E. The employee shall have a right to insert in his/her file reasonable supplementary material and a written response to any items in the file. Such response shall remain attached to the material it supplements for as long as the material remains in the file.

- F. Any performance evaluation conducted of an employee who is a participant in the Union/State Collective Bargaining negotiations shall recognize the employee's frequent absence from his/her State job and the impact of such absences on the employee's performance. This is not intended to abrogate the right of the State to take disciplinary action against any employee who happens to be involved in such representational activities.
- G. Material relating to an employee's performance included in the employee's departmental personnel file shall be retained for a period of time specified by each department, except that at the request of the employee, materials of a negative nature may either be purged after one year or at the time such material is used in a written performance evaluation. This provision, however, does not apply to formal adverse actions except as defined in applicable Government Code sections. By mutual agreement between a department head or designee and an employee, adverse action material may be removed. When an employee receives written documentation of a negative nature, the supervisor shall note in writing on the documentation the time frame it will remain in the file.
- H. Supervisors may keep working supervisory files on the performance and conduct of employees to provide documentation for matters such as, but not limited to, probation reports, performance appraisals, training needs, MSA reviews, bonus programs, adverse actions, employee development appraisals, or examination evaluations. An employee and/or his/her authorized representative may, upon request, review the contents of his/her file with his/her supervisor. Upon request, the employee shall be allowed a copy of the material in his/her supervisory file.

- B. The first negotiations meeting shall take place within twenty (20) calendar days of the Union's request unless the parties agree to a different date. The purpose of the negotiations shall be the classification specifications and the compensation.
- C. If the parties reach an agreement, they shall jointly recommend, in writing, that the classification proposal be submitted to the SPB for the non-hearing calendar.
- D. If the parties do not reach an agreement the classification proposal may be submitted to the SPB.
- E. In the event the SPB renders a decision that was not mutually agreed to by the parties, the Union and the State shall meet and confer over the impact, including compensation, of the Board's decision. No classification shall be established without a salary structure.

**Article and Section No: 14.2**

*The Union proposes no changes be made to the following section:*

**14.2 Out-of-Classification Grievances and Position Allocation  
Hearing Process**

**A. Definitions**

1. An employee is working "out of class" when he/she spends a majority (i.e., more than fifty percent [50%]) of his/ her time over the course of at least two (2) consecutive work weeks performing duties and responsibilities associated with a higher level existing classification that do not overlap with the classification in which said employee holds an appointment.

Duties that are appropriately assigned to incumbents in the employee's current classification are not out of class. Duties appropriately assigned are based on the definition and typical tasks enumerated in the California SPB specification.

Training and Development assignments are not out-of-class work.

2. For purposes of this section, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the

highest range of the class in which the employee holds an appointment.

3. When an employee is performing the duties of a vacant position properly assigned to a higher class or the duties of an absent employee whose position is properly assigned to a higher classification, the employee shall be considered to be working out of class.

### B. Authorization and Rate of Pay

1. Notwithstanding Government Code sections 905.2, 19818.8, and 19818.16, an employee may be temporarily required to perform out-of-class work by his/her department for up to one hundred twenty (120) calendar days in any twelve (12) consecutive calendar months when it determines that such an assignment:

- a. Is of unusual urgency, nature, volume, location, duration, or other special characteristics; and,
- b. Cannot feasibly be met through use of other civil service or administrative alternatives.

2. Departments may not use out-of-class assignments to avoid giving civil service examinations or to avoid using existing eligibility lists created as the result of a civil service examination.
3. When an employee is assigned out-of-class work, he/she shall receive the rate of pay he/she would have received pursuant to

4. Out-of-class work may be discontinued by departments at any time; however, departments may not rotate employees in and out of out-of-class assignments to avoid payment of out-of-class compensation.
5. Out-of-class pay shall not be considered as part of the employee's base pay when computing the rate due upon promotion to a higher level.

### C. Out-of-Class Grievances and Allocation Appeals

- The grievance and arbitration procedure described in subsection D below shall be the exclusive means by which alleged out-of-class assignments shall be remedied, including requests for review by the DPA referenced in Government Code section 19818.16 or the State Victim Compensation and Government Claims Board.

2. The grievance and arbitration procedure described in this section shall be the exclusive means for appealing position allocation or reallocation referenced in Government Code sections 19818.6 and 19818.20.
3. Employees may not separately file out-of-class grievances and position allocation or reallocation grievances pertaining to the same duties and responsibilities.

4. The only remedy that shall be available (whether claiming out-of-class work or position misallocation) is retroactive pay for out-of-class work. Said pay shall be limited to out-of-class work performed (a) during the one year calendar period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator.

5. Arbitrators shall not have the authority to order reclassification (reallocation) of a grievant's position or discontinuance of out-of-class work assignments.

#### D. Grievance Procedure and Time Limits

1. An employee's grievance initially shall be discussed with the employee's supervisor.

2. If the grievance is not resolved to the satisfaction of the grievant a formal grievance may be filed on a form provided by the State within:

- a. Fourteen (14) calendar days after receipt of the decision rendered by the supervisor; or
- b. Twenty-one (21) calendar days after the date the employee's duties allegedly changed such that he/she stopped working out of classification or his/her position became misallocated.
- c. However, under no circumstances may the period in which to bring the grievance be extended beyond the twenty-one (21) calendar days in item b above.

**Bargaining Units: All**  
**June 26, 2008**

**Article and Section No: 14.8**

**Proposal No.: 1**

*The Union proposes that no changes be made to the following section:*

**14.8 Contracting Out**

**A. Purpose**

The purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by bargaining unit employees, consistent with the terms of this section. In achieving this purpose the parties do not intend this section to expand the State's ability to contract out for personal services. The parties agree that this section shall not be interpreted or applied in a manner which results in a disruption of services provided by State departments.

**B. Policy Regarding Personal Services Contracts and Cost Savings**

Except in extremely unusual or urgent, time-limited circumstances, or under other circumstances where contracting out is recognized or required by law, Federal mandate, or court decisions/orders, the State must make every effort to hire, utilize and retain bargaining unit employees before resorting to the use of private contractors. Contracting may also occur for reasons other than cost savings as recognized or required by law, Federal mandate, or court decisions/orders.

C. Information Regarding Contracts To Be Let

1. Departments will provide the Union's designated representative with copies of Requests for Proposals (RFPs) and Invitations for Bid (IFBs) for personal services contracts when released for publication if they call for services found in bargaining unit class specifications.
2. To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide the Union's designated representative with a copy of the Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed, but no less than five (5) business days thereafter, provided the contract is/will be for services found in bargaining unit class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in subsection D(1).
3. The purpose of this subsection C is to provide the Union with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with the Union for this purpose, if requested by the Union.

D. Review of Personal Services Contracts In Existence

1. Upon request of the Union each department shall submit copies of any or all personal services contracts that call for services found in bargaining unit class specifications. For each contract,

departments shall provide additional documents establishing the number, scope, duration, justification, total costs of all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided as soon as reasonably possible. The parties expect that this shall be provided no more than twenty-one (21) calendar days following the request by the Union, or longer if approved by the Union and the department. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in bargaining unit class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in bargaining unit classifications. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the Union with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in bargaining unit class specifications. Costing information provided to the Union for protected contracts shall include total personnel costs for personnel services found in bargaining unit classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.

2. Within ten (10) workdays after receipt of the personal services contracts and associated documents as provided for in paragraph D(1) above, the Union and the department shall begin reviewing the contracts. The Union and the department shall examine the contracts based on the purpose of this section, the terms of the contracts, all applicable laws, Federal mandates and court decisions/orders. In this regard, the Union and the department will consider which contracts should and can be terminated immediately, which contracts will take additional time to terminate, which contracts may continue (for how long and under what conditions) and how (if necessary and cost effective) to transition contract employees or positions into civil service. All determinations shall be through express mutual agreement of the Union and department.

3. The Union and the department will continue to meet as necessary to examine personal services contracts which have been let.

4. If savings are generated by the termination of personal services contracts under this provision, it is the intent of the State to implement agreements of the Union and the department for utilization of said savings. Such agreements may include:

(a) Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of bargaining unit employees;

- (b) Enabling the employment of bargaining unit employees for services currently performed by contractors;
- (c) Enabling of the conversion to bargaining unit civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the SPB;
- (d) Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the SPB, State employee registries, and recruitment and retention incentives;
- (e) Such other purposes as may be mutually agreed upon.

#### E. Displacement Avoidance

1. The objective of this subsection is to ensure that bargaining unit employees have preference over contract employees consistent with, but not limited to the following principles:
  - (a) The duties at issue are consistent with the bargaining unit employee's classification;
  - (b) The bargaining unit employee is qualified to perform the job; and,
  - (c) There is no disruption in services.

2. To avoid or mitigate bargaining unit employee displacement for lack of work, the appointing power shall review all existing personal services contracts to determine if work consistent with the affected employee's classification is being performed by a contractor. Displacement includes layoff, involuntary demotion, involuntary transfer to a new class, involuntary transfer to a new location requiring a change of residence, and time base reductions. If the Union and the department that review personal services contracts determine that the terms and purpose of the contract permit the State to assign the work to a bargaining unit employee who would otherwise be displaced, this shall be implemented consistent with the other terms of this section. The State and the Union shall meet and confer for purposes of entering into an agreement about the means by which qualified employees are notified and provided with such assignments. This shall include developing a process that ensures that savings realized by terminating the contract and reassigning the work to a bargaining unit employee to avoid displacement, are utilized to offset that employee's moving and relocation costs, the amount of which shall be consistent with the Moving/Relocation section of the parties' collective bargaining agreement.

F. Nothing in this section shall be interpreted or applied in such a manner as to interfere with the State or Federal court orders, the authority of the State or Federal courts or the authority of the special masters or receiver.

G. Relationship Between This Section And Related Statutes

The State is mindful of the constitutional and statutory obligations (e.g., Govt. Code § 19130) as it pertains to restriction on contracting out. **15.1 Appeal of Involuntary Transfer**

A. The State shall make reasonable efforts to avoid involuntary transfers. An involuntary transfer which reasonably requires an employee to change his/her residence may be grieved under article 6 only if the employee believes it was made for the purpose of harassing or disciplining the employee. If the appointing authority or the DPA disapproves the transfer, the employee shall be returned to his or her former position; shall be paid the regular travel allowance for the period of time he/she was away from his/her original headquarters; and his/her moving costs both from and back to the original headquarters shall be paid in accordance with the DPA laws and rules.

B. An appeal of an involuntary transfer which does not reasonably require an employee to change his/her residence shall not be subject to the grievance and arbitration procedure. It shall be subject to the complaint procedure if the employee believes it was made for the purpose of harassing or disciplining the employee.

C. The State shall provide a minimum of sixty (60) days written notice for an involuntary transfer which reasonably requires an employee to change his/her residence.

D. Employees, who are unwilling to accept the geographical transfer required by their current department, may pursue other options, such as but not limited to voluntary transfer, voluntary demotion, reduced work-time program, authorized partial service retirement, or voluntary retirement or resignation. Such employees who meet the DPA, SROA definition, shall be considered surplus. The department head or designee shall make job opportunity bulletins and materials available to all eligible surplus employees. Eligible surplus employees shall be permitted to apply and compete for vacant positions of their current class or other classes to which he/she can transfer, pursuant to the SROA process. Article 16 shall govern employee rights and appeals under these conditions.

E. With prior supervisory approval, employees shall be allowed a reasonable amount of State paid time to participate in employment interviews associated with the efforts described in paragraph D above.

F. When a department has two (2) or more employees in a class who are subject to an involuntary transfer which reasonably requires an employee to change his/her residence, consideration shall be given for the affected employee's seniority in accordance with Government Code section 19994.2.

UNION PROPOSAL  
Bargaining Units: All  
June 20, 2008

Article and Section No: 15.3

Proposal No. 1

*The Union proposes that no changes be made to the following section:*

*New language for 17/21*  
**15.3 Hardship Transfer**

The State and the Union recognize the importance of hardship transfers as a way of dealing with work and family issues. An employee experiencing a verifiable hardship, e.g., domestic violence, mandatory job transfer of a spouse or domestic partner as defined in Family Code section 297, family illness, serious health condition, injury or death of family members, may request a transfer to another geographic area to mitigate the hardship.

The State shall endeavor to reassign the employee to a comparable or lesser (if comparable is not available) position in the requested geographic area. If the employee accepts a position in a lower paid classification, the State shall endeavor to reinstate the employee to their former classification and comparable salary level.

Transfers under this section shall be considered voluntary and any associated relocation costs shall be subject to the applicable DPA laws and rules.

A department shall provide in writing the reason(s) for the inability to grant the transfer.

This section is not subject to the grievance and arbitration procedure of this Contract.

F. Workweek group policy for Fair Labor Standards Act (FLSA) -  
Exempt/Excluded Employees:

State employees who are exempt/excluded from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State's policy for all employees exempt/excluded from the FLSA:

1. Management determines, consistent with the current Contract the products, services, and standards which must be met by FLSA - exempt/excluded employees;

2. The salary paid to FLSA - exempt/excluded employees is full compensation for all hours worked in providing the product or service;

3. FLSA - exempt/excluded employees are not authorized to receive any form of overtime compensation, whether formal or informal;

4. FLSA - exempt/excluded employees are expected to work, within reason, as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. FLSA exempt/excluded employees may be

required to work specific hours to provide services when deemed necessary by management;

5. FLSA - exempt/excluded employees shall not be charged paid leave or docked for absences in less than whole-day increments. Less than full-time employees shall be charged time proportionate to their scheduled hours of work. Record keeping for accounting, reimbursements, or documentation relative to other applicable statutes, such as the FMLA, is permitted.
6. FLSA - exempt/excluded employees shall not be suspended for less than five (5) days when facing discipline;
7. With the approval of the appointing power, FLSA - exempt/excluded employees may be allowed absences with pay for one or more whole days due to excessive work load or other special circumstances without charging leave credits;
8. Subject to prior notification and management concurrence, FLSA exempt/excluded employees may alter their work hours. Employees are responsible for keeping management apprised of their schedule and whereabouts. Prior approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave, personal day) for absences of an entire day or more is required.

The Union proposes the following changes be made to the following section:

19.2 Overtime

A. Overtime is earned at the rate of one and one-half (1½) times the hourly rate for all hours worked in excess of forty (40) hours in a regular workweek and is compensable by cash or CTO if it meets the following criteria:

1. Ordered overtime of at least fifteen (15) minutes at any one time;
2. Overtime will be credited on a fifteen (15) minute basis with a full fifteen (15) minute credit to be granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.

B. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations. However, in the event that the DIR determines that this provision is inconsistent with Labor Code section 204.3, the parties agree to immediately meet and confer regarding the impact of that determination.

C. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than ten (10) days after the end of the pay period during which the overtime was worked. Each State agency shall maintain complete and accurate records of all compensable overtime worked by its employees.

D. The time when CTO may be taken shall be at the discretion of the State. When CTO is ordered, reasonable advance notice (at least 24 hours) should be provided the employee. CTO may be taken only in units of time of fifteen (15) minutes or multiples thereof.

E. CTO for employees shall be earned on a time one and one-half (1½) basis and may be authorized in lieu of cash compensation. If an employee is not allowed CTO within twelve (12) pay periods following the pay period in which the overtime was worked, payment shall be made for such overtime on the next payroll.

F. Employees may accrue up to two hundred forty (240) hours of CTO. All hours in excess of two hundred forty (240) CTO hours shall be compensated in cash.

G. Normally, an employee who has an accumulation of two hundred forty (240) hours or thirty (30) days of authorized overtime shall not be required to work additional overtime.

H. Notwithstanding any other contract provision or law to the contrary, time during which an employee is excused from work because of sick leave shall not be counted as hours worked within the

~~This provision expires June 30, 2010.~~

- I. Notwithstanding any other contract provision, departmental policy, or practice, the travel time of employees who are covered by FLSA shall only be considered as time worked if it meets the definitions and requirements of travel time in sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations, except as provided in 1, 2 and 3 below.

1. Effective January 31, 2002, all time spent on required travel to an alternate worksite shall be compensated consistent with the requirements of the FLSA. For FLSA covered employees, the State shall endeavor to accommodate travel to an alternate worksite to occur during an employee's normal work hours. However, the State will also consider the business needs of the department including the costs of travel arrangements.

2. Notwithstanding the above, FLSA covered employees traveling on state business, outside of their normal work hours (as defined in FLSA) will be granted a special allowance for actual time spent traveling. Employees shall receive this special allowance equivalent to the employee's regular hourly rate on a straight time, hour for hour basis, in cash or CTO, at the discretion of the department head or designee. This is not overtime compensation and shall not be considered as time worked for calculation of overtime. This paragraph also applies to passengers in carpools, vans or other vehicles, traveling on

## 19.9 Exchange of Time Off - Multi-Shift Operations

- A. Permanent employees employed by departments with multiple shift operations may be permitted to exchange hours of work with other employees in the same classification or level (determined by the supervisor), performing the same type of duties in the same work areas, provided:
1. The employees make a written request to their supervisor(s) at least twenty-four (24) hours prior to the exchange;
  2. The supervisor(s) approve the exchange; and
  3. The employees exchanging time off shall not be entitled to any additional compensation (e.g., overtime or overtime meals, holiday credit/pay, shift differential), which they would not have otherwise received.
- B. Each employee shall be responsible for the coverage of the work assignment he/she accepts. If the employee who exchanges with another employee fails to report for duty for the exchange, he/she shall be subject to repaying the actual time (hour-for-hour) of filling in behind the assignment. The State shall first use accrued time credits for the repayment; then use "accounts receivable" should time credits be insufficient for the repayment. In the event the employee fails to report for duty because of illness or injury, he/she may be required to provide medical verification in accordance with section 8.2 of this Contract.
- C. An employee who fails to report for duty for the exchange and has not provided a medical verification of illness as described, shall not be allowed to participate in an exchange for 180 calendar days from the date of the missed exchange.
- D. All exchanges must occur during the same workweek. payperiod.
- E. Probationary employees are excluded from participating in exchanges of time off.
- F. No exchange shall result in an employee working double shifts.
- G. For Unit 15 the following special rules apply:
1. All exchanges must occur within the pay period in which the initial exchange was taken; or ninety (90) calendar days from the initial exchange, whichever is greater, and
  2. Double shifts will be permitted, consistent with departmental practices.
- H. If an exchange is denied, the supervisor denying the exchange shall state the reason for the denial upon written request by the employee.
- I. This section is not subject to the grievance and arbitration procedure of this Contract.

**19.12 Standby Time**

A. "Standby" is defined as the express and absolute requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work and be fit and able to return to work, if required. It shall not be considered standby when employees are contacted or required to return to work but have not been required to be available for receipt of such contact.

C. An employee who is required to be on standby status will be compensated in the following manner: for every eight (8) hours on standby, an employee shall receive two (2) hours of CTO, which may be prorated on the basis of fifteen (15) minutes CTO for each one hour of standby. Standby may not be scheduled in less than one hour increments.

D. No standby credit will be earned if the employee is called back to work and receives call back credit.

Employees**

A. Where the use of overtime is prevalent and there are more than three (3) equally qualified employees within a work unit, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a seniority volunteer overtime system, departments will endeavor to reduce the amount of mandatory overtime, distribute overtime fairly among volunteers insofar as circumstances, security, or health and safety permit and provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a department's right to require overtime or the completion of work in progress by the employee performing the work at the time the determination was made that overtime was necessary.

B. When assigning mandatory overtime inverse seniority shall be used insofar as circumstances, security, or health and safety permit. The special needs of employees who have documented medical problems, childcare problems, or other significant reasons which would impact on the employee's ability to work the overtime assignment(s) shall be considered.

Subject: Sideletter Regarding Access

Over the last two years, the State of California and SEIU, Local 1000 have struggled to find a balance between the State's operational needs and the Union's need to access the employees it represents at their worksites. This challenge has resulted in a number of serious confrontations, including arrests, as well as legal conflicts in various forums that continue to this day.

In the interest of harmonious Labor Relations, the parties agreed in June of 2006 to work with a neutral mediator and make a good faith effort to resolve the issue. The enclosed document is the result of those sessions between the Department of Personnel Administration and SEIU, Local 1000.

As with all agreements, both sides had to compromise. This agreement, however, is intended to provide a proactive framework for facilitating Union access and addressing disputes before they escalate.

In that spirit, the State and the Union are fully committed to the following principles:

- Department/Union cooperation in seeking solutions to access issues
- Swift resolution of disagreements when they occur
- An ongoing understanding of, and respect for, each others' particular operational needs

We now look to you to implement this agreement in the spirit in which it was negotiated. There will be joint training provided on the agreement at a date still to be determined.

regarding access

CT 2/13/09

TA

This document is developed for the purpose of implementing the collective bargaining agreement. Department personnel and union representatives are encouraged to discuss/resolve access problems if they arise.

The union shall provide advance notice of its intent to visit worksites. Departments shall notify the union of the appropriate person to receive notice. Providing notice shall not be interpreted as requesting permission. However, where worksites with legitimate issues of safety, security or patient care exist, reasonable accommodations for access and/or distribution of information shall be provided. Departments shall discuss such accommodations with the union.

The union has the right to distribute information where represented employees work. The union will not block entrances. Distribution of information inside worksites shall not cause disruption of work.

Where escorts are necessary for reasons of safety, security or patient care, including patient privacy, typically, such escorts shall be Local 1000 bargaining unit members and such escorts shall not interfere with discussions between the union and its members.

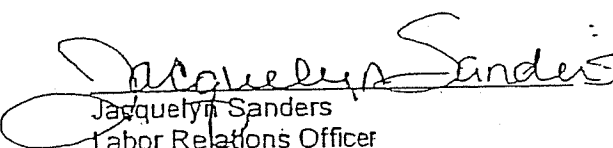

When problems/issues regarding union access to members' worksites occur, and cannot be resolved at the department level, the following persons should be contacted:

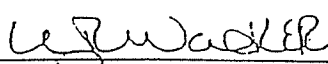

Jacquelyn Sanders, Labor Relations Officer (916) 324-0476  
Department of Personnel Administration

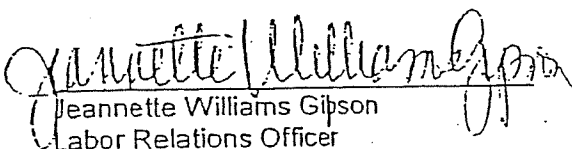

Michael Baratz, Chief of Staff (916) 326-4222  
SEIU, Local 1000

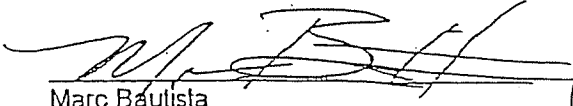

or  
Paul Harris, Chief Counsel (916) 326-4208  
SEIU, Local 1000

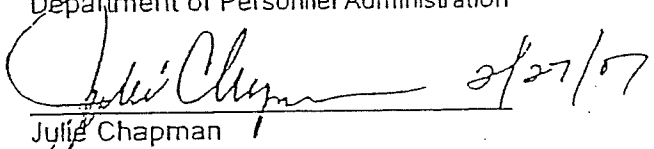

In the event that agreement cannot be reached between the DPA and SEIU Local 1000 contact persons, the dispute may be submitted directly to arbitration pursuant to Step 4 of the grievance procedure. The parties shall exchange written statements regarding the issue and the response within one week of failure to agree.

# UNION PROPOSAL

## Bargaining Unit: Unit 4

*passed* June 19, 2008 10:07am. *McLover*

Article and Section No: SL 4.4

Proposal No.: 1

*The Union proposes that no changes be made to the following section:*

### Side Letter 4.4 - California State Lottery (CSL) Scratcher Sales Bonus

CSL reserves the right to manage the variety and quantity of Scratcher products offered for sale in order to stay within its budgetary and legal mandates

The classifications of Lottery Ticket Sales Specialist (LTSS) and Lottery Ticket Sales Senior Specialist (LTSSS) shall be eligible to receive sales bonuses as governed by the following provisions:

A. The sales bonus shall be based solely on sales of Scratcher products. Scratcher product sales are defined as only those packs that have been financially settled by retailers. Prior to the beginning of each new quarter of the fiscal year, the CSL Director or designee shall set a statewide sales goal for Scratcher products. The statewide sales goal is then broken down into "market shares" for each individual "retailer assignment." Individual achievement for bonus eligibility is measured against the "marked share" established for the individual retailer assignment.

B. CSL Sales Department shall issue a quarterly report showing the percentage of statewide sales (commonly referred to as "market share") for Scratcher products for each retailer assignment. The market share of each sales area is defined as the percentage

contribution of the employee's retailer assignment to actual statewide sales during the quarter ending one quarter prior to the "goal quarter," also identified as the "quarter before last."

Example: The goal of Quarter 1 of FY 99-00 is based upon market share from Quarter 3 of 98/99.

- C. Upon completion of each quarter and a qualifying period as defined in subsection G, if the retailer assignment achieves at least the first level sales goal in Scratchier products, the eligible employee receives the appropriate bonus award for that level. Subsequent awards are based upon achieving greater sales levels for the Scratchier-only products.

Example: If a retailer assignment achieves Level 1 goal in Scratchier sales, the participant receives Level 1 bonus.

- D. Bonus levels and corresponding dollar awards attributable to each level are listed below:

BONUS LEVEL	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
% OF SALES GOAL	102%	105%	108%	112%
ACHIEVEMENT				
Lottery Ticket Sales Specialist	\$300	\$600	\$900	\$1,200
Lottery Ticket Sr. Sales Spec.	\$300	\$600	\$900	\$1,200

- E. Each eligible employee described below shall be required to work a qualifying period as defined in subsection (F) to be eligible for a bonus.

1. A full-time employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.

2. An intermittent employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.

3. An intermittent employee who works a qualifying period and who works more than one retailer assignment in either the North or the South region during the quarter shall be eligible for the appropriate level bonus achieved by that region.

4. An intermittent employee who works a qualifying period and who works more than one retailer assignment in both the North and South regions during the quarter shall be eligible for the appropriate level bonus achieved by the State.

5. A part-time employee who works a qualifying period shall be eligible for a percentage of the bonus dollar amount consistent with the employee's time base. The qualifying period as defined in subsection F shall be prorated to the time base.

Example: A three quarter ( $\frac{3}{4}$ ) time employee who work's a qualifying period and who achieves Level 1 sales shall be eligible to receive three quarter ( $\frac{3}{4}$ ) of the dollar amount for that

level. The qualifying period for eligibility is proportionately reduced by twenty-five percent (25%).

F. For purposes of this bonus provision, the following definitions shall apply:

1. "Qualifying period" is defined as actually working a regular retailer assignment no less than sixty-five percent (65%) of actual available work hours in a quarter, excluding holidays and weekends.

Formula: Thirteen (13) weeks (91) days less weekends (26 days) multiplied by eight (8) hours a day less holiday hours multiplied by sixty-five percent (65%) equals a qualifying period.

Example: A qualifying period in a thirteen (13) week quarter with no holidays would require the participant to work a regular retailer assignment three hundred thirty-eight (338) hours. A qualifying period in a quarter that has one holiday would require the participant to work a regular retailer assignment of three hundred thirty-three (333) hours.

2. "Retailer assignment" is defined as a preassigned group of retailers for which the employee has Scratcher inventory management responsibilities either through the use of a Scratcher inventory management system or through regular retailer telephone activity. Retailer assignment does not include activity with retailers which are redirected to an employee because of coworker absences.

F. Workweek group policy for Fair Labor Standards Act (FLSA) -  
Exempt/Excluded Employees:

State employees who are exempt/excluded from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State's policy for all employees exempt/excluded from the FLSA:

1. Management determines, consistent with the current Contract the products, services, and standards which must be met by FLSA - exempt/excluded employees;

2. The salary paid to FLSA - exempt/excluded employees is full compensation for all hours worked in providing the product or service;

3. FLSA - exempt/excluded employees are not authorized to receive any form of overtime compensation, whether formal or informal;

4. FLSA - exempt/excluded employees are expected to work, within reason, as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. FLSA exempt/excluded employees may be

required to work specific hours to provide services when deemed necessary by management;

5. FLSA - exempt/excluded employees shall not be charged paid leave or docked for absences in less than whole-day increments. Less than full-time employees shall be charged time proportionate to their scheduled hours of work. Record keeping for accounting, reimbursements, or documentation relative to other applicable statutes, such as the FMLA, is permitted.
6. FLSA - exempt/excluded employees shall not be suspended for less than five (5) days when facing discipline;
7. With the approval of the appointing power, FLSA - exempt/excluded employees may be allowed absences with pay for one or more whole days due to excessive work load or other special circumstances without charging leave credits;
8. Subject to prior notification and management concurrence, FLSA exempt/excluded employees may alter their work hours. Employees are responsible for keeping management apprised of their schedule and whereabouts. Prior approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave, personal day) for absences of an entire day or more is required.

## Article and Section No: 19.2

TA

The Union proposes the following changes be made to the following section:

### 19.2 Overtime

A. Overtime is earned at the rate of one and one-half (1½) times the hourly rate for all hours worked in excess of forty (40) hours in a regular workweek and is compensable by cash or CTO if it meets the following criteria:

1. Ordered overtime of at least fifteen (15) minutes at any one time;
2. Overtime will be credited on a fifteen (15) minute basis with a full fifteen (15) minute credit to be granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.

B. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations. However, in the event that the DIR determines that this provision is inconsistent with Labor Code section 204.3, the parties agree to immediately meet and confer regarding the impact of that determination.

C. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than ten (10) days after the end of the pay period during which the overtime was worked. Each State agency shall maintain complete and accurate records of all compensable overtime worked by its employees.

D. The time when CTO may be taken shall be at the discretion of the State. When CTO is ordered, reasonable advance notice (at least 24 hours) should be provided the employee. CTO may be taken only in units of time of fifteen (15) minutes or multiples thereof.

E. CTO for employees shall be earned on a time one and one-half (1½) basis and may be authorized in lieu of cash compensation. If an employee is not allowed CTO within twelve (12) pay periods following the pay period in which the overtime was worked, payment shall be made for such overtime on the next payroll.

F. Employees may accrue up to two hundred forty (240) hours of CTO. All hours in excess of two hundred forty (240) CTO hours shall be compensated in cash.

G. Normally, an employee who has an accumulation of two hundred forty (240) hours or thirty (30) days of authorized overtime shall not be required to work additional overtime.

H. Notwithstanding any other contract provision or law to the contrary, time during which an employee is excused from work because of sick leave shall not be counted as hours worked within the

~~This provision expires June 30, 2010.~~

- I. Notwithstanding any other contract provision, departmental policy, or practice, the travel time of employees who are covered by FLSA shall only be considered as time worked if it meets the definitions and requirements of travel time in sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations, except as provided in 1, 2 and 3 below.

1. Effective January 31, 2002, all time spent on required travel to an alternate worksite shall be compensated consistent with the requirements of the FLSA. For FLSA covered employees, the State shall endeavor to accommodate travel to an alternate worksite to occur during an employee's normal work hours. However, the State will also consider the business needs of the department including the costs of travel arrangements.

2. Notwithstanding the above, FLSA covered employees traveling on state business, outside of their normal work hours (as defined in FLSA) will be granted a special allowance for actual time spent traveling. Employees shall receive this special allowance equivalent to the employee's regular hourly rate on a straight time, hour for hour basis, in cash or CTO, at the discretion of the department head or designee. This is not overtime compensation and shall not be considered as time worked for calculation of overtime. This paragraph also applies to passengers in carpools, vans or other vehicles, traveling on

A. Upon request by the Union or an employee, the State shall not unreasonably deny a request for flexible work hours, an alternate workweek schedule or reduced workweek schedule. ## 19.9 Exchange of Time Off - Multi-Shift Operations

A. Permanent employees employed by departments with multiple shift operations may be permitted to exchange hours of work with other employees in the same classification or level (determined by the supervisor), performing the same type of duties in the same work areas, provided:

1. The employees make a written request to their supervisor(s) at least twenty-four (24) hours prior to the exchange;

In the event the employee fails to report for duty because of illness or injury, he/she may be required to provide medical verification in accordance with section 8.2 of this Contract.

C. An employee who fails to report for duty for the exchange and has not provided a medical verification of illness as described, shall not be allowed to participate in an exchange for 180 calendar days from the date of the missed exchange.

D. All exchanges must occur during the same workweek. payperiod.

E. Probationary employees are excluded from participating in exchanges of time off.

F. No exchange shall result in an employee working double shifts.

G. For Unit 15 the following special rules apply:

1. All exchanges must occur within the pay period in which the initial exchange was taken, or ninety (90) calendar days from the initial exchange, whichever is greater, and

2. Double shifts will be permitted, consistent with departmental practices.

H. If an exchange is denied, the supervisor denying the exchange shall state the reason for the denial upon written request by the employee.

The start date must be effective within thirty (30) calendar days of the date the employee accepted the position. K. Dispute Resolution

Employees who dispute the appropriateness of the bid award for the posted position may file a written protest. The protest shall be filed within five (5) work days after receipt of the notification provided under section I above. Subject: Sideletter Regarding Access

Over the last two years, the State of California and SEIU, Local 1000 have struggled to find a balance between the State's operational needs and the Union's need to access the employees it represents at their worksites. This challenge has resulted in a number of serious confrontations, including arrests, as well as legal conflicts in various forums that continue to this day.

In the interest of harmonious Labor Relations, the parties agreed in June of 2006 to work with a neutral mediator and make a good faith effort to resolve the issue. The enclosed document is the result of those sessions between the Department of Personnel Administration and SEIU, Local 1000.

As with all agreements, both sides had to compromise. This agreement, however, is intended to provide a proactive framework for facilitating Union access and addressing disputes before they escalate.

In that spirit, the State and the Union are fully committed to the following principles:

Department/Union cooperation in seeking solutions to access issues  
Swift resolution of disagreements when they occur  
An ongoing understanding of, and respect for, each others' particular operational needs

We now look to you to implement this agreement in the spirit in which it was negotiated. There will be joint training provided on the agreement at a date still to be determined.

regarding access

CT 2/13/09

This document is developed for the purpose of implementing the collective bargaining agreement. Department personnel and union representatives are encouraged to discuss/resolve access problems if they arise.

The union shall provide advance notice of its intent to visit worksites. Departments shall notify the union of the appropriate person to receive notice. Providing notice shall not be interpreted as requesting permission. However, where worksites with legitimate issues of safety, security or patient care exist, reasonable accommodations for access and/or distribution of information shall be provided. Departments shall discuss such accommodations with the union.

The union has the right to distribute information where represented employees work. The union will not block entrances. Distribution of information inside worksites shall not cause disruption of work.

Where escorts are necessary for reasons of safety, security or patient care, including patient privacy, typically, such escorts shall be Local 1000 bargaining unit members and such escorts shall not interfere with discussions between the union and its members.

When problems/issues regarding union access to members' worksites occur, and cannot be resolved at the department level, the following persons should be contacted:

Jacquelyn Sanders, Labor Relations Officer  
Department of Personnel Administration

(916) 324-0476

(916) 326-4222

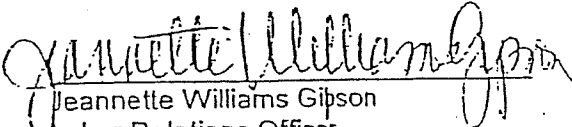

or  
Paul Harris, Chief Counsel  
SEIU, Local 1000

(916) 326-4208

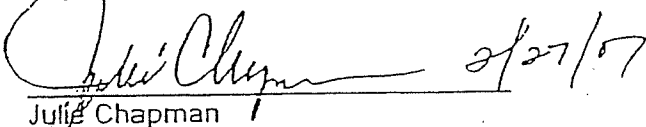

In the event that agreement cannot be reached between the DPA and SEIU Local 1000 contact persons, the dispute may be submitted directly to arbitration pursuant to Step 4 of the grievance procedure. The parties shall exchange written statements regarding the issue and the response within one week of failure to agree.

# UNION PROPOSAL

Article and Section No: SL 4.4

Proposal No.: 1

***The Union proposes that no changes be made to the following section:***

### Side Letter 4.4 - California State Lottery (CSL) Scratcher Sales Bonus

CSL reserves the right to manage the variety and quantity of Scratcher products offered for sale in order to stay within its budgetary and legal mandates

The classifications of Lottery Ticket Sales Specialist (LTSS) and Lottery Ticket Sales Senior Specialist (LTSSS) shall be eligible to receive sales bonuses as governed by the following provisions:

A. The sales bonus shall be based solely on sales of Scratcher products. Scratcher product sales are defined as only those packs that have been financially settled by retailers. Prior to the beginning of each new quarter of the fiscal year, the CSL Director or designee shall set a statewide sales goal for Scratcher products. The statewide sales goal is then broken down into "market shares" for each individual "retailer assignment." Individual achievement for bonus eligibility is measured against the "marked share" established for the individual retailer assignment.

B. CSL Sales Department shall issue a quarterly report showing the percentage of statewide sales (commonly referred to as "market share") for Scratcher products for each retailer assignment. The market share of each sales area is defined as the percentage

contribution of the employee's retailer assignment to actual statewide sales during the quarter ending one quarter prior to the "goal quarter," also identified as the "quarter before last."

Example: The goal of Quarter 1 of FY 99-00 is based upon market share from Quarter 3 of 98/99.

- C. Upon completion of each quarter and a qualifying period as defined in subsection G, if the retailer assignment achieves at least the first level sales goal in Scratcher products, the eligible employee receives the appropriate bonus award for that level. Subsequent awards are based upon achieving greater sales levels for the Scratcher-only products.

Example: If a retailer assignment achieves Level 1 goal in Scratcher sales, the participant receives Level 1 bonus.

- D. Bonus levels and corresponding dollar awards attributable to each level are listed below:

BONUS LEVEL	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
% OF SALES GOAL	102%	105%	108%	112%
ACHIEVEMENT				

Lottery Ticket Sales Specialist	\$300	\$600	\$900	\$1,200
Lottery Ticket Sr. Sales Spec.	\$300	\$600	\$900	\$1,200

- E. Each eligible employee described below shall be required to work a qualifying period as defined in subsection (F) to be eligible for a bonus.

1. A full-time employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.

2. An intermittent employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.

3. An intermittent employee who works a qualifying period and who works more than one retailer assignment in either the North or the South region during the quarter shall be eligible for the appropriate level bonus achieved by that region.

4. An intermittent employee who works a qualifying period and who works more than one retailer assignment in both the North and South regions during the quarter shall be eligible for the appropriate level bonus achieved by the State.

5. A part-time employee who works a qualifying period shall be eligible for a percentage of the bonus dollar amount consistent with the employee's time base. The qualifying period as defined in subsection F shall be prorated to the time base.

Example: A three quarter ( $\frac{3}{4}$ ) time employee who work's a qualifying period and who achieves Level 1 sales shall be eligible to receive three quarter ( $\frac{3}{4}$ ) of the dollar amount for that

level. The qualifying period for eligibility is proportionately reduced by twenty-five percent (25%).

F. For purposes of this bonus provision, the following definitions shall apply:

1. "Qualifying period" is defined as actually working a regular retailer assignment no less than sixty-five percent (65%) of actual available work hours in a quarter, excluding holidays and weekends.

Formula: Thirteen (13) weeks (91) days less weekends (26 days) multiplied by eight (8) hours a day less holiday hours multiplied by sixty-five percent (65%) equals a qualifying period.

Example: A qualifying period in a thirteen (13) week quarter with no holidays would require the participant to work a regular retailer assignment three hundred thirty-eight (338) hours. A qualifying period in a quarter that has one holiday would require the participant to work a regular retailer assignment of three hundred thirty-three (333) hours.

2. "Retailer assignment" is defined as a preassigned group of retailers for which the employee has Scratcher inventory management responsibilities either through the use of a Scratcher inventory management system or through regular retailer telephone activity. Retailer assignment does not include activity with retailers which are redirected to an employee because of coworker absences.

G. Bonus payments shall be made quarterly within sixty (60) days after the end of the quarter.

H. Bonuses paid pursuant to this section are excluded from compensation for retirement purposes.

I. Bonuses paid pursuant to this section are considered compensation for taxation purposes.
